Celia/Lisa - Are we still meeting next week on Wednesday? Richard Sisk and I would like to know for certain and where this meeting will be and what we will be talking about - aside from the general topic of OU2.

Thanks.

Hi everyone: Please hold this date and time for a VB/I-70 removal conversation, as a follow-up to our meeting of 1/15. Although I wasn't able to schedule a time that worked for everyone, given the large number of people we wanted to include, this is doing pretty good. And, I appreciate those of you who answered "if need be" being willing to work around this date.

I'll follow up as we get a little closer with a more definitive agenda and a location.
